

SCORE International

May 5, 2008

FOR IMMEDIATE RELEASE:

It is a great joy to announce a partnership of SCORE International with the Rawlings Foundation in the Dominican Republic. The magnificent Baseball and Sport Complex, built and owned by the Rawlings Foundation, in Boca Chica will be used to reach thousands of athletes. Using its broad base of sports contacts, including SEDIFIR, SCORE International will provide personnel and strategy to teach baseball skills, character, citizenship, and English education. The goal of this program will be to help prepare Dominican youth for the BIG GAME OF LIFE!

Working with Major League baseball, professional players and coaches, and university coaches from the USA, our goal will be to provide exceptional athletic training while warning youth of the dangers of drugs, alcohol, and promiscuity.

SCORE International, a sports missions ministry is pleased to partner with the Rawlings Foundation in sports evangelism in the Dominican Republic. It is also exciting to join in the ministry of camps in order to evangelize, disciple, challenge, and train Dominican teens in the work of the ministry. Our goal is to develop the whole person into a productive spiritual, athletic, social, educational, and financial lifestyle.
